TRIKEENAN

# Modulus

At the intersection of style and colour, meet Modulus, a contemporary tile line with 25 colours, 14 shapes, and 6 trim styles. With its subtle variations in size and colour, Modulus follows the best traditions of handcrafted tile.

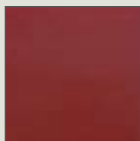

Well suited for residential and commercial spaces, Modulus offers the durability to withstand high traffic situations. With its wide range of shapes and sizes, Modulus lends simple, refined elegance to modern lifestyles.

Life shouldn't be complicated, and designing with tile needn't be either.

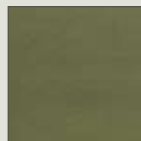

All tile is 3/8" thick. Single and corner bullnoses are available on all tile with the exception of Ebb and Flow. All trim styles are available with inside, outside and face-frame corners.
